

Figure 1a

A blank coordinate system with both x and y axes ranging from 0.0 to 1.0. The axes are marked with major ticks at intervals of 0.2 (0.0, 0.2, 0.4, 0.6, 0.8, 1.0). The plot area is empty, with no data points or lines. A label 'Figure 1a' is located in the top-left corner of the plot area, enclosed in a rounded rectangle.
