

Alt Caps and Figures PUA Block - Code Charts for Kurinto Fonts

Kurinto_CodeChart_ACF.pdf

This document provides code charts for the blocks of Alternate Capitals and Figures (ACF) included in some of the Kurinto fonts. It is provided as part of a release package of the Kurinto Font Folio, available at <https://www.Kurinto.com/>.

Only code points within the three "Private Use Areas" (PUAs) are shown. Refer to the Unicode code charts for blocks of code points that are part of the Unicode Standard.

The characters used in this code chart are rendered in Kurinto Aria.
